

# Kaslo & District PUBLIC LIBRARY

Invites you to the **new** 'Design Launch'

NEW  
LIBRARY  
PROJECT

Our team has been working with Carscadden Stokes McDonald Architects to further the design by:

1. Improving energy efficiency
2. Reducing carbon footprint
3. Ensuring accessibility & efficient use of space
4. Staying within a budget and
5. Acquiring a more accurate (class B) cost estimate

We look forward to sharing the design & updates with you in person and via displays

Can't make it?

Check out the billboard, [website](#), and library display at your

convenience after September 23.

Fundraising continues...

Sponsor a Perimeter Plaque for \$200

Imagine that each plaque represents 1 foot, then it will take 286 plaques to 'surround' the new library design.

With your help, we can do this!

Engraving can be a family or group name, in memory of a loved one, or a saying
