# Donation Form: A new library for Kaslo & Area D

**Donations accepted by the Kaslo library (KDPL) AND the Village of Kaslo.**

**Will I get a tax receipt?**

Yes, the Library or Village will issue a charitable tax receipt for all donations over \$20.

**Why does the donation get transferred to the Village?**

Under current legislation (see the Library Act), Public Library Associations can not own land or buildings. The Village is working in partnership with KDPL towards a new library and will be the owner of the building after it is constructed. KDPL will enter into a long term lease agreement with the Village to operate from the new building.

**How can I be sure these funds go to the new library project?**

Please specify that the donation is for the New Library Project. KDPL will transfer these funds into the Library Capital Reserve Bylaw 1257 held by the Village of Kaslo.

*This bylaw is specifically for: land acquisition, site preparation, planning fees, the construction of a new library, and other future capital costs related to the library. Drawing from the reserve requires an approved resolution from Council AND a written request/ consent from KDPL.*

Thank you for your donation to help build a new library in Kaslo.
