TEEN MOVIE NIGHT

Organized Teen Movie Nights featuring the critically acclaimed films "Spider-Man Into the Spider-Verse" and its sequel "Spider-Man Across the Spider-Verse." These events aimed to provide a fun and engaging atmosphere for teenagers to enjoy popular movies while promoting the library as a community hub. The teens chose the Spider-Verse movies, ensuring their broad appeal among teens. Both films had engaging storylines and innovative animation styles, and are celebrated for their diverse characters and positive messages, making them a perfect choice for teen audiences.

Feedback and Impact:

Feedback from both teens and parents was overwhelmingly positive, with many expressing their appreciation for the opportunity to watch these popular films on a big screen in a community setting. These events drew teens to the library and attracted some who had not been there before. For the second film, we had 17 youths in attendance.

Challenges and Solutions:

During the second film's screening, a few teens were not quiet, which disrupted the others' viewing experience. This issue will be addressed at future movie events to ensure a positive experience for all attendees. Clear guidelines will be provided before the movie starts about expectations of silence during the film and the consequences of not adhering to these rules.
